

CAFÉ RUIZ®

by Casa Ruiz, S.A.

The Art of Roasting High-End Quality Coffees

The Art of Tasting Great Coffees

The specialty coffee market is growing all around the world. The coffee connoisseur and the coffee tasting experts have spent years learning the art of recognizing extraordinary coffees from all over the world.

This visit features:

An Organoleptic Understanding

a presentation of the organoleptic body mechanism that allows all of us to enjoy what we eat or drink.

Roast Profiles Experience

you will taste roast profiles to be able to notice changes, complexity and the basis of how cup profiles get created

The Taste Appreciation

preparation profiles which will prepare you to understand the final experience of tasting cup profile, variety cup, & estate's profile.
